

## Welcome 2024-25 PS/CIG Leaders

You are truly a dedicated and passionate group of safety professionals! We're excited to have you here!

Each month during the year, you will receive a [Community Leader Update](#) email that contains important reminders as well as ASSP news to share with your virtual community members. This month, we're sharing resources that will help you throughout the year as well as a few reminders. Staying connected is an important part of being a volunteer leader.

### Leadership Conference Events

- Join your fellow volunteer leaders for a kick-off event on Wednesday, July 17, at 1 p.m. CT. Open to all new and returning volunteers, our welcome webinar will provide insight into what you can expect during the coming year, including strategic updates from the Board of Directors, a review of organizational priorities and additional information to support you in your role. This is a great opportunity to prepare for success in the coming year. [Register now](#)
- We also encourage all leaders to join us on Tuesday, Aug. 6, in Denver, for the return of our in-person **Leadership Conference**. Enjoy sessions and networking with other ASSP volunteer leaders as well as the Leaders and Honorees Celebration from 5 to 7 p.m. [Register now](#)

Thank you for sharing your passion with ASSP and for providing accessible opportunities to help our members to become better safety professionals. Here's to a great year ahead!
