2024 ASSP AWARDS & HONORS

We share in our members' dedication to making safe and healthy workplaces, celebrating their achievements and their efforts to advance safety. Each year, we acknowledge various members and member groups with a multitude of awards and honors, offering industry recognition that is personally and professionally rewarding.

ASSP Fellow

The Honor of Fellow is ASSP's most prestigious honor, recognizing significant commitment, achievement and leadership in the OSH profession.

Daniel G. Hopwood, M.P.H., CSP, ARM, SMS, FASSP
Vice President and Director of Risk Control Field Services, Sompco
San Diego Chapter

Hopwood is a career-long safety professional. A native Midwesterner who has long lived in California, he is a believer in doing safety the right way and advocates for the value of academic endeavors, technical strength, and the ability to motivate and influence others. Hopwood has had opportunities to write, speak, create and teach at the college level, a testament to the support of his mentors, employers and associates, as well as his love for the safety field. He greatly values experience and appreciates the role of safety professionals at all levels and capabilities. Hopwood has contributed to many community-based
